Writing Software

- Experiment!
- Learn
- Develop “*taste*”

Get Good At *Your* Editor

- Editor doesn't matter. Proficiency does!
- Stay in the flow

Debugging

- Not just VSCode debugger

Reading (read lots of code)

This is often lacking in juniors, but often required for seniors

grokking - verb

: to understand profoundly and intuitively

Writing

“Writing is a form of refining your thinking” - Ezra Klein

Layer Below

Understand what shoulders you're standing on to

An iceberg floating in the ocean. The tip of the iceberg is above the water line, and the much larger base is submerged. The sky is blue with some clouds, and the water is a deep blue. The text is overlaid on the image in white with a black outline.
